## **Celebrating Our Journey: Unity, Talent, and Transition**

As we bid farewell to August, we reflect on a month rich in events and milestones that have shaped our shared journey at Loyola School. Each celebration, each moment of joy and reflection, has brought us closer as a community, strengthening our bond and commitment to excellence. This month has been a vibrant tapestry of experiences, each thread contributing to the beautiful story of our school.

In August, we had the privilege of welcoming back the alumni from two illustrious batches for their reunions. It was a moment of profound connection, where the past met the present, and memories were relived with heartfelt nostalgia. As we celebrated these reunions, it became evident that the spirit of Loyola continues to inspire and guide our alumni in their diverse

paths. "Education is not the filling of a pail, but the lighting of a fire," said W.B. Yeats. Indeed, the flame of knowledge and values kindled here burns brightly in the lives of our former students.

Our Independence Day celebration was a testament to our collective patriotism and love for our country. One segment of the celebration was graced by the presence of Brigadier Salil M. P., Commander, Military Station, Pangode, as the chief guest. The day was marked by vibrant performances, inspiring speeches, and a deep sense of gratitude for the freedom we enjoy. As Mahatma Gandhi once said, "The best way to find yourself is to lose yourself in the service of others." This sentiment resonated through our celebrations, reminding us of our responsibility to contribute positively to our nation's growth and development.

*L-Talentum 2024*, our cultural fest for the senior section, was a spectacular display of creativity and talent. With Mr. Rajesh Chandran T. T. and Kumari Thanmaya Sol, the 53 Kerala State award winner for the best child actress, gracing the event as the guests of honour, the fest was elevated to new heights. The dedication and hard work of our coordinators, Ms. Rajitha P., Mr Sunil Kumar V. T. and Ms Renu R.C. ensured that the event was a grand success. As Pablo Picasso rightly said, "Every child is an artist. The problem is how to remain an artist once we grow up." *L-Talentum* reminded us of the importance of nurturing and celebrating the artistic spirit in our students. The 61<sup>st</sup> Annual Sports Day was another highlight of the month, with Commander Deepak Sebastian, an illustrious alumnus, serving as the chief guest. The event was a true celebration of athleticism, teamwork, and school spirit. Our students demonstrated remarkable sportsmanship and determination, embodying the ethos of our school. "The only way to prove that you're a good sport is to lose," said Ernie Banks, and our students showcased grace and resilience, whether in victory or defeat. I extend my heartfelt congratulations to the Physical Education Teachers Mr Umesh U., Rajesh T. G., and Anu G. S. along with all the dedicated staff members, for their outstanding efforts in making this year's Sports Day a resounding success. Your commitment and hard work have truly made this event unforgettable.

Fruits Day for our KG section was a delightful occasion, celebrating the innocence and joy of our youngest Loyolites. The colourful displays and enthusiastic participation of our little ones brought smiles to all our faces. It was a gentle reminder of the simple joys of life and the importance of fostering a love for healthy habits from a young age. As the proverb goes, “An apple a day keeps the doctor away,” we are committed to promoting health and well-being among our students. As we approach the end of this month, our students are diligently preparing for their first term exams. Best of luck to all; may your hard work and dedication lead to great success! This month also marked significant transitions within our leadership. Fr Roy Alex SJ, the principal of our CBSE section, has left for Sri Lanka for his six-month tertianship, an important stage of formation for a Jesuit priest. We wish him a fruitful and enriching life on the island. In his stead, Rev. Sr Jiji Thomas has assumed the office of principal of the CBSE section, with Ms. Roshini Joseph serving as the vice principal. We are confident that under their guidance, our school will continue to thrive and achieve new heights of excellence. In conclusion, I am grateful for the collective efforts of our students, staff, and parents in making this month memorable. Let us continue to strive for excellence, uphold our values, and support one another in all our endeavours. As we move forward, may we always remember the words of St Ignatius of Loyola, “Go forth and set the world on fire.” Together, let us illuminate the world with the light of knowledge, compassion, and service.

# **Bon Voyage to Fr Roy Alex SJ** **Hearty Welcome to Fr Jose Thaiparambil SJ, and** **Three Cheers for Sr Jiji Thomas and Ms Roshini Joseph**

No one had any inkling of the intention when the staff received a message about a special meeting on 21 August. Well, it was to officially announce a major shuffle at the administrative level.

Fr Roy Alex SJ, Fr Jose Thaiparambil SJ, Fr Sunny Kunnappallil SJ, Fr Salvin Augustine SJ, Sr Jiji Thomas, Ms Roshini Joseph

Rector and Manager Fr Sunny Kunnappallil SJ making the announcement

All of a sudden, we learned that Fr Roy Alex SJ would be leaving for Kandy, Sri Lanka, for his tertianship, and that Fr Jose Thaiparambil SJ would assume charge as the Bursar, Sr Jiji Thomas as the Principal of the CBSE wing, and Ms Roshini Joseph, as the Vice Principal.

*Qwaheri* to you, dear Fr Roy; we will sorely miss you, though only for a short while.

## YOUNG OLD BOYS BACK AT SCHOOL

*"I studied in Loyola School from 1979 to 1982, completing my I.C.S.E. in 1982. Many many pleasant memories and much gratitude for all that the school and teachers did for me in my formative years. Opportunities to grow, play cricket and participate in extracurriculars truly helped lay the foundation. Very happy to see the growth of the institution and the wonderful infrastructure that has come up. Students who study here continue to be very fortunate."*

# *In Memoriam*

**Sreekumar G. Pillai**

Sreekumar, our dear classmate, would always be remembered for his cool, calm and composed nature coupled with an extremely friendly smile and demeanour that could make all of us feel so much at ease. While we all like to be cool and calm, his calmness was effortless and natural to him. Being around him or talking to him was always comforting to the extent that he was the one most of us looked forward to meeting while on a trip to the UK. Nicknamed "Brother", he was quiet by nature. It was at times difficult to catch him while he visited India as he was so committed to his family. He will always remain special and very close to our hearts.

Mate, you were a gem who left too soon. We will cherish the memories forever.

Rest in Peace, Brother.

# In Memoriam

Arif Mohammed Sherief (2008 Batch)

Arif Mohammed Sherief was more than just a friend; he was a force of energy and determination, a soul who lit up every room with his infectious enthusiasm. His passion for life was evident in everything he did, from strumming his guitar to pursuing his dreams with unwavering ambition. Arif was a man of action, someone who set goals and accomplished them, always with a clear vision of what he wanted to achieve.

He was the friend who had no enemies, a rare soul who managed to touch the lives of everyone he met with kindness and respect. His energy was boundless, his courage unmatched, and his heart full of warmth. Arif had a unique way of making those around him feel inspired, motivated, and loved. He was always there, ready to lend a hand, share a laugh, or offer support without hesitation.

Arif's passing at the young age of 33 has left us with a deep sense of loss. The news of his tragic accident on the morning of August 23, 2024, shook us to our core. It's hard to believe that

someone so full of life is no longer with us. Despite the grief that surrounds us, we take solace in the memories of the incredible person he was: a friend, a brother, and a son who brought so much joy and love into our lives.

Arif was part of the Loyola family during his 11th and 12th standards, and his legacy remains etched in our hearts. After school, he went on to study engineering, followed by an MBA, before carving out a successful career as a data scientist in Dubai. His achievements were numerous, and his ambition was boundless, qualities that we all admired and respected. He leaves behind his loving parents, his brother, and his dog. Our hearts go out to them in this time of unimaginable sorrow.

We will forever cherish the memories of Arif's music, his laughter, and his indomitable spirit. He taught us the value of living life with purpose, passion, and fearlessness. Rest in peace, Arif. You will always be missed, my friend, and never forgotten.

Ashwin Ravikumar

## MEET OUR ALUMNUS OF THE MONTH

**Pradeep O. Eapen**

Pradeep O. Eapen graduated from Loyola School in 1986. With a degree in production engineering, he left for Dubai in 1993 and is currently working for Emirates Robotics.

Ever since he was a child, music has been his refuge. A turning point in his musical journey came when he auditioned for a competition at school. Despite the nerves, the applause he received fuelled his passion for music. Unfortunately, after his school years he smothered his music for a while, only to resuscitate it in his late forties. His music got a new lease of life when he met and became a disciple of vocal guru Acharya Mohan Kumar, a maestro in both Carnatic and Hindustani music. During the four-year tutelage, Pradeep did small stage shows as well. When the pandemic struck, he joined a facebook group named *Sursargam*, a local platform in Dubai. Encouraged by the feedback, he started performing at local venues ranging from cozy coffee shops to bustling open mic nights, and recording cover songs at a local studio. And, hard work and determination made him the winner in a competition hosted by the GK worldwide entertainment community in the senior Hindi category.

## INDEPENDENCE DAY *Celebrations at Loyola*

The sun shone brightly over Loyola School as the institution commemorated the 78th Independence Day with a series of events that were both stirring and enlightening. The day unfolded with a seamless blend of patriotism and heartfelt expressions, paying tribute to the valour and sacrifices that have shaped our nation.

The celebration had three segments: the colourful one exclusively for the kindergarteners of both Sreekariyam and Thumba campuses, the more formal one in the indoor stadium, and the NCC's programme in the ICSE courtyard.

The kindergarteners turned up in outfits appropriate for the occasion. The formal part of their celebration included the opening prayer by Anvith P. Nair of LKG A., welcome speech by Dakshith Abhilash of UKG E., pledge by Daniel Kuriakose of UKG E., speeches by the representatives of LKG and UKG, solo songs by Indrajith V.S. of LKG D and Janosh Riccardo Jeskleen of LKG E., skit on unity in diversity by the kids of UKG, and messages by both the Principals. Indrajith proposed the vote of thanks. The MC was Ahmed Qazi Jissam of UKG B.

The second segment of the celebration, in the indoor stadium, commenced with the resonant prayer song sung by the school choir. Their harmonious voices filled the air with a sense of reverence. Master John Sabu Abraham, the school leader, then delivered the welcome address.

In his presidential address, Fr Sunny Kunnappalil, SJ, Rector of Loyola Institutions, emphasized the importance of gratitude for our independence, a sentiment that resonated deeply with everyone present.

The chief guest, Brigadier Salil M. P., Commander of the Military Station at Pangode, then addressed the assembly, acknowledging the nation's progress and the enduring spirit of patriotism. In grateful appreciation of his presence on the occasion and his distinguished service to the nation, Director and Principal Fr Salvin Augustine presented him a memento and followed it up with his Independence Day message.

In his address, Fr. Roy Alex SJ highlighted India's unity in diversity and also drew attention to the heroic rescue operations led by Pangode Military Station under the command of the chief guest. The display of handmade national flags waving in unison added a colourful and emotional touch to the celebrations, the tri-colour evoking in each of us a sense of pride and belonging. It was quite the sight to see following his speech, as we felt in that moment the depth of his words.

The cultural events that followed were a testament to the participants' enthusiasm, critical thinking, musical talent, acting and dancing skills, and their creative flair. The patriotic dance by the teachers, Ms Swathisree Malavika, Ms Ajitha shibu, and Ms Anjali V. Das, was a vibrant celebration of national pride, Master Aman Salam's masterful speech captivated the audience, reflecting the profound significance of Independence Day, and Master N. P. Adidev's Hindi song, steeped in patriotism, further amplified the day's spirit.

A video presentation featuring half a dozen Loyolites who either served or are currently serving the Indian Armed Forces brought personal narratives of service and sacrifice to the forefront. After this, we were enthralled by a creatively crafted skit and patriotic song that depicted a student's transformative journey through time, learning about the freedom struggle and finding a sense of national duty.

The musical interludes continued with Master Avyukth A. Nair's melodious solo song in English which was both soothing and inspiring. The programme ended with a compelling video presentation dedicated to the freedom fighters who were scientists, compiled by the Science Club, and the vote of thanks by Master Aman Safeer.

Independence Day at Loyola School meant joy mingled with sorrow as performances and speeches evoked nostalgia while also nudging us to look forward to a tomorrow when unity and love will make every citizen proud of their motherland. The function not only commemorated that spirit but also embraced it, reaffirming the school's commitment to nurturing a sense of national pride among its students.

*"A reunion is a homecoming, not only to a place but also to ourselves, as we discover the essence of who we are."*

The 1984 batch had their 40<sup>th</sup> year reunion from 9<sup>th</sup> to 11<sup>th</sup> August 2024. In Std X we had a strength of 65 students. Two of them have left for their heavenly abode. 43 out of 63 from around the world attended the reunion.

The three-day event had the participants staying together at Avoki resorts near Kazhakkootam where awkward dance moves and questionable fashion choices came back to life.

The highlight of the reunion was a half-day session at school on Saturday 10<sup>th</sup> August. The entire batch was attired in school uniform and we arrived at school in two Loyola School buses.

Eight teachers from yesteryears attended the event at school including B.O. Sebastian, V. C. Jacob, C. T. Varkey, Joy Thomas, Manorama Philip, Ranjini Pereira, Teresa Sebastian and Susheela Mathew. Members of the non-teaching staff who attended it included Joseph uncle, Rajappan uncle and Atul uncle.

The Principal Fr Salvin Augustine welcomed everyone as we arrived at school. This was followed by a short session in the multimedia hall which was addressed by the Principal, B. O. Sebastian and Rajappan uncle, among others.

A group photo was taken on the steps where the school assembly used to be held. The group then moved on to the old XA and XB classrooms. A roll call was taken in both the classes by the teachers. This was followed by a fifteen-minute class test which was invigilated by some of the teachers. Although the 1984 SSLC batch holds the record for every student having secured distinction, the performance in this test left a lot to be desired. Time has of course taken its toll!

# Destination Loyola School Trivandrum

## 1984 to 2024 - 40 Years

### The Grandest of the Days.

### 43 out of the batch of 63 Ex-students

The event ended with lunch for everyone at the school canteen.

Many of the attendees were going back to school after several years. The teachers were as enthusiastic as the Loyolites, travelling from as far as Kochi and Pala, just to attend the reunion.

We would like to place on record the warm welcome which was extended to us at school. The Principal seemed so keen to have us back and offered every possible assistance and support. Everyone left on an overdose of nostalgia, energised and in a very positive frame of mind.

It was also a very emotional experience for us. We felt the same emotions one would feel when we go back to the houses where we spent our childhood. Loyola felt like homecoming and the experience was enriched by the presence of teachers who influenced us so much in those formative years. It was truly a time to reminisce, reconnect and reignite the fire within. For a while, it was as if a teenage dream was being relived.

We were also seeing some of our batchmates after so many years. Loyola was once again instrumental in getting us all back together. So many connections and stories were rekindled. Although it was the 40<sup>th</sup> year reunion, for those who started off in the first standard or before, it was also a celebration of half a century of friendship driving a symphony of laughter, tears and memories that echoed through the halls of time. The only experience sweeter than a union is indeed a reunion.

Doctors among us were gracious enough to do a voluntary medical checkup on the last day and apart from excessive levels of adrenaline and dopamine, the rest was all in order.

As Nelson Mandela put it, *“There is nothing like returning to a place that remains unchanged to find the ways in which you yourself have altered”*.

Loyola batch reunions have happened around the world. However we were left in no doubt that in the end, the best happens when you go back to the people and places that were there in the beginning. Every parting is a form of sadness as every reunion is a type of heaven. We now wait for the RUBY to turn GOLDEN.

Cheer Loyola's Sons!

# FRUITS DAY *Delight*

“A seed hidden in the heart of an apple is an orchard invisible.”

Every time you eat a fruit is an opportunity to nourish your body and health. To bring awareness of the importance of fruits in our daily diet, the tiny tots of kindergarten celebrated ‘Fruits Day’ on 23rd August, 2024.

The fruits day celebration was a vibrant event that brought joy and awareness of healthy eating. The event encouraged the kids to explore variety of fruits and understand their nutritional benefits.

The celebration started with a prayer sung by Master George Alex of UKG D. It was followed by a welcome speech by Master Aarav. B. Nair of LKG C. Students of UKG sang a beautiful song about fruits. Student representatives of UKG gave a talk on fruits explaining the nutritional benefits and how important it is to include fruits in our daily diet. Our LKG kids, dressed up as different fruits, had a blast at the fruits-themed fashion show. Each costume was unique, reflecting the children’s love for fruits.

After the wonderful fashion show, fruit salad recipe presentation was done by Master Muhammed Haroon Bin Firoz of UKG B, followed by fruit salad preparation by LKG kids. Watching the little ones making the fruit salad was a pleasant sight.

The event was graced by the presence of Frs Salvin Augustine SJ, Roy Alex SJ, Jose Thaiparambil SJ and Mr Joy Varghese.

Our fruits day celebration not only highlighted the importance of including fruits in our daily diet but also showcased the enthusiasm and participation of our students which made this event truly special.

# 61<sup>st</sup> ANNUAL ATHLETIC MEET

LOYOLA SCHOOL THIRUVANANTHAPURAM

24 AUG  
2024

**The 61<sup>st</sup> Annual Athletic Meet** was held on 24 August 2024, and it was an event filled with unforgettable moments and an electrifying atmosphere. The intense competition, the drive to win, and the spirit of participation all contributed to the excitement of the day.

The meet began with a well-synchronized march past by the student council and the four houses. It meant a whole lot that Commander Deepak Sebastian, the chief guest, is a proud alumnus of the class of 1993. Frs Sunny Kunnappallil, Salvin Augustine, Roy Alex and Jose Thaiparambil graced the occasion with their presence. The lighting of the torch and the march past were the highlights of the opening ceremony. After hoisting the school flag, the chief guest officially declared the athletic meet open. The school captain led the house captains and participants in the pledge before the troops marched out.

To the delight of the crowd, an energetic zumba performance followed the opening ceremony. To the surprise of our young

minds, a flash mob by our beloved parents came next, highlighting the recent calamity that struck Wayanad. The brass band and karate display added to the vibrant atmosphere.

Students displayed remarkable spirit of sportsmanship throughout the athletic events. The aerobics and gymnastics displays by all four houses were colourful and breathtaking, but it was the Sputnik Spacemen who claimed the first place with their synchronized aerobics and intricate gymnastics.

The annual tug of war between LOBA and the present students, always a crowd favourite, saw fierce competition over three rounds. In the end, the younger ones emerged victorious and claimed the delectable prize of a tantalizing bunch of bananas!

The meet concluded with the closing march past and the much-anticipated prize distribution. Instead of just delivering a routine speech, the chief guest spiced things up by quizzing the four houses on their knowledge about Olympics.

The overall victors of the 61<sup>st</sup> Athletic Meet were Apollo Pioneers, followed by Sputnik Spacemen, Jupiter Jetsetters, and Gemini Giants. LOBA's trophy for the Best Outgoing Sportsman went to Ms Johanna Esther N. of XII A.

The great success of the meet was made possible by the collective efforts of everyone in the Loyola family. The unwavering support of the school staff was truly commendable. Every participant emerged as a true champion, demonstrating their dedication and sportsmanship.

**Megha Bibin, XI A**

Nothing official about the salute; just classmates catching up at their Alma Mater. Sports at Loyola has always been a great unifying force, binding the staff, students, parents, and old boys together.

Old Boys versus Young Boys. Guess which Principal is more loyal to whom!

And.... the parents springing a surprise with a flash mob to promote environmental awareness
